

LearningCulture Sek 3+

Factsheet for parents, authorities of the Canton of Zurich and students.

Offer	<p>From summer 2022, we will be offering ambitious students in the 9th grade (3. Klasse Sekundarschule A) integrated preparation for the Gymi- or BMS/FMS entrance exam in March 2023.</p> <p>The class size is limited to five students. The Progymnasium teaching is based on the Lehrplan 21 and supports, in addition to the specialist skills, the organisation and learning methodology in the respective subject. The teaching is based on the philosophy of LearningCulture and is religiously and politically neutral.</p> <p>https://www.learningculture.ch/en/about-us</p>

Teaching material	<p>We use the same teaching material as the public Sekundarschule in the canton of Zurich. Additionally, our own LearningCulture teaching material is used for the Gymi and BMS/FMS exam preparation.</p>
--------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Homework:	<p>The annual course includes daily homework amounting to approximately two lessons, which are checked and discussed in the classroom. On three afternoons per week there is the possibility to do homework in the in-depth and repetition lessons with supervision. During the holidays, some summer homework is also given in German, mathematics, and French, which includes reading, repetition tasks, and vocabulary exercises.</p>
------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Private Lessons	Each student will receive a free package of six additional private lessons per school year. These can be arranged directly with the teachers. Additional lessons can be booked for a fee if required.
Parent Info	Parents are informed on a weekly basis via email about homework completion, commitment, motivation, performance, and any problems. Parent-teacher meetings take place before the autumn, Christmas, and sports holidays. Further meetings are possible by appointment.
Teachers	Classes are led by experienced Gymnasium or Sekundarschule teachers, as well as other teachers with teaching experience at LearningCulture.
Management	Mr. Balz Müller, pedagogical director at LearningCulture, is responsible for the "LearningCulture Sek3+". Mr. Müller studied German Studies and History and earned a teaching diploma for Maturitätsschule at the University of Bern. With his many years of work as a teacher and headmaster at renowned private schools, he brings with him the necessary experience to successfully supervise this class. In addition, Mr. Müller is pleased to teach German as well as Space, Times, and Societies (RZG). www.learningculture.ch/en/balz-muller
Location:	LearningCulture, Theaterstrasse 4, 8001 Zurich Directly at the Zurich Opera House
Admission	An admission interview with certificate copies of the latest available semester reports, as well as a motivation letter from the student should help parents and LearningCulture to carefully decide on who to accept.
School Fees	Total of 24,900 CHF. This is payable in four quarterly contributions at 6,225 CHF each. Payments are due on 1 st August 2022, 1 st November 2022, 1 st February 2023, and 1 st May 2023. A termination by the end of 2 nd quarter is possible two months in advance.

Our secretariat will be happy to answer your inquiry and arrange a no-obligation information meeting with the pedagogical director, Mr. B. Müller: **044 520 81 19** / kontakt@learningculture.ch
